

You are invited to attend a **free educational discussion regarding deep brain stimulation (DBS)**

1:30 to 4:00 p.m.

*Presented by
San Francisco VA
Movement Disorders Center*

Susan Heath, RN, MSN

*Movement Disorders Clinical
Nurse Specialist &
DBS Coordinator*

Come learn about Deep Brain Stimulation in a small group session arranged in a comfortable setting. Patients and guests are welcome to ask questions about the procedure and follow-up care.

If you would like to attend the free educational sessions listed below, **please RSVP by calling 415-379-5530.**

Family members are encouraged to attend.

DBS discussion dates:

Sept 10, 2008

October 15, 2008

February 11, 2009

April 8, 2009
